

RED LICK CATALITE - DECEMBER 2017

MERRY CHRISTMAS BABY...

Welcome to the latest Red Lick catalite - our recently introduced new format of publication, not quite the catalogue (as we previously issued) but more than our between-catalogue new release sheets. Sort of a catalogue-lite, so to speak. Hence, a catalite!

Once again, you will see that, in this edition, we have included a whole page of bargain offers - overstocks, deletions and other items on our shelves available for a short time at a much reduced price (see page 4). Please note that these bargain offers are only available at these prices while stocks last, so get in quickly or you will miss out. As well as these, we also have an updated list of used CDs (with plenty more used CDs and LPs available via the website), plus the usual selections of the best new releases and just some of the best selling titles from the back catalogues of our most popular labels. In short, plenty here for everybody!

Being the December edition, this will be our final catalite of 2017 so we would like to take the time here to wish all our customers, suppliers and friends a very Merry Christmas and a prosperous New Year. This year has been quite a challenge at Red Lick as we have battled to maintain the momentum of the business at a time when we had some difficult family health issues to manage. We couldn't have come through these difficult periods without the patience, understanding and support of our customers and distributors. Once again, everyone here at Red Lick would like to thank you all for bearing with us over recent months and we hope that our Christmas, like yours, will be peaceful, relaxing and enjoyable. After which, we will return again in early January 2018 with another catalite update full of new releases, special offers and other opportunities to start the new year with a bang!

TELEPHONE ORDERING

If you wish to place orders via the telephone, our phone lines open most **Sunday mornings between 10.30am - 1.00pm**. For customers who order via our website, through email, by post or by fax, please feel free to continue to order as and when you wish.

When we are not available to answer the telephone, we do keep our voicemail message system open for customer calls. While this is mostly designed for general messages rather than specific customer orders, you can place your order here if you wish. This however will only work for small orders, as the telephone message service only accommodates short messages (up to a minute). Calls lasting longer will be cut-off after the designated time, so long messages and orders may not complete.

VISIT OUR WEBSITE

Obviously within the confines of the 'catalite' we can't cover all the ground we have previously been detailing within the much bigger 'catalogue'.

All the usual offers however still exist and our listings of DVDs, books, new vinyl, bargain offers, and more detailed back catalogues of new CDs from all your favourite labels - Ace, Acrobat, Alligator, Bear Family, Delmark, Fremaux, Fresh Sound, Jasmine, JSP, Kent, Provogue, Ruf, Solar, Wolf, etc - are still available to view and order by visiting our website - www.redlick.com.

The website also includes thousands more used CDs and LPs for sale and available to order at any time. So, click to it now and get 'em while you can!
